

Confession of Faith

Then faith comes by hearing and confessing the word of God

How reconciliation becomes a reality in our life.

Many Christians are sick, poor and conquered on many, yes even on all areas of their lives. Despite on what the Lord Jesus Christ has done for them on the cross where God brought redemption from **SIN, POVERTY, SICKNESS and DEATH.**

The word of God reveals that born again believers are new **CREATIONS** in Jesus Christ (2 cor 5:17) with eternal life and God's own nature (1 joh 5:10-13) and as believers they have being delivered out from the power of satan and transferred into the Kingdom of God (col 1:12-14)

If this is true, how come so many Christians doesn't live, speak and behave out of the fact that they live in the Kingdom of God? They live like this because their redemption has **NOT** become a reality in their lives

OUR CONFESSIONS CONTROLS US

A few people understand that our confessions controls us, this is a spiritual law. We will never raise above our confessions whether you are saved or not. Jesus tells us in Mark 11:23 that we can receive anything we ask for as long as we don't doubt in our heart and confess it with our mouth. He did not say believe in your **HEAD** and confess with your **MOUTH**, but he said believe in your **HEART** (SPIRIT) and confess with your **MOUTH**.

This is the reason why so many people are church members all their lives, they have a hole lot of knowledge in their head from the bible, but at the end they will get lost because they did not obey the word of God for salvation as described in (Rom 10:9-10)

"That if thou shalt confess with thy MOUTH the Lord Jesus, and shalt believe in thine HEART that God hath raised him from the dead, thou shalt be saved For with the HEART man believeth unto righteousness and with the MOUTH confession is made unto salvation"

CONFESSION WILL WORK IN ALL AREAS OF OUR LIVES

The law of confession does not only work for salvation but on everything in our lives whether it is good or evil. Jesus tells us in (Mark 11:23) "he who doesn't doubt in his heart but believe what he speaks will happen, he will receive it" Some people have more faith in satan than God. They believe with their heart and speak with their mouth: I will always get the flu when it comes to town, and because they believe and confess it, for sure they will get it.

Instead of believing with their heart and speak with their mouth **"Jesus took my fragilities on him self and carried my sickness according to (Matt 8:17) Therefore I forbid any kind of sickness to enter into my body"**

Proverbs 6:2 tells us **Thou art snared with the words of thy mouth; thou art taken with the words of thy mouth.** Confess sickness and poverty and you will receive it, confess health and prosperity then you will receive it **THE CHOICE IS YOURS**

DEVELOP YOUR FAITH

Testimonies or confessions are a vital part in our Christian life. If you want to develop a robust faith, then always confess what the Lord has done for you and what the word of God speaks about you. The more you speak of Him, the more Jesus becomes real for you in your life. Confess what the word of God speaks about you and your situation, even if you don't believe it at once. **Because faith cometh by hearing, and what we will hear is the word of God (Rom 10:17)** confess it again and again, and sooner or later faith WILL come to your heart when you hear the word of God from your own lips. Whatever you believe in your heart and confess with your mouth you will receive it (Mark 11:23)

“For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.”

GOD BLESS YOU ALL
